

Finally, chapter 4 of volume 4 is here! Summer classes ended recently so I have some extra content on my translators before school starts again "dies"

Just a warning: The bullying Satou endures is pretty harsh but that kind of tormenting in Japan is more unfortunately. Bullying in Japan is going to be a bigger problem in recent years. I think Satou is portrayed pretty accurately though there are probably cases that are even rougher than him, so if you've experienced bullying and many of us have to some extent you'll be able to relate to Satou but it may bring back bad memories so you have been forewarned.

Also, I'm planning on adding the following to all my future releases just to be safe: this is a work of parody, gay-sitcom, parody, etc. so if you find that offensive, DO NOT READ ANY FURTHER. YOU HAVE BEEN WARNED!

Thanks to sakurachan on the Internet for helping me for the cover!

As always, questions, comments, and corrections go directed to the following e-mail: satou4n1ch@ yahoo.com

Thank you to all of the readers for your continued patience and support, I very much appreciate it!

Lastly, enjoy!

The cover features two main characters: a tall man with blue hair wearing a white shirt and pink tie, and a shorter man with spiky red hair wearing a blue suit and red tie. They are standing on a yellow surface against a background of black dots. The title "His Most Favorite" is written in large, stylized red letters at the bottom. The author's name "田中 鈴木" is on the left. There is also some English promotional text at the bottom right.

Okay, chapter 2 of volume 4, ready to go!

On some of the pages, there are ads for other works being serialized in Babel magnum so I didn't bother translating them but if you guys are interested in finding out what those works are, just send me a message asking me a translation of whatever it is. My e-mail address is zamaranth@yahoo.com. Any questions, comments, or concerns can be sent to that address.

If you're going to post this or any site other than the forum on arninfantasy, please remember to credit me as I have worked hard on these translations.

This is a work depicting an adult gay romance, so if you find that offensive, **DO NOT READ ANY FURTHER YOU HAVE BEEN WARNED!** In addition, there is some male/female sexual play that takes place in this chapter so if you find that offensive, **DO NOT READ ANY FURTHER!**

Thanks to aifredas on arninfantasy for the row!

Hello, everyone! Here's chapter 4 of what I'm calling volume 4 of Aiba because I don't know if an actual tome has been released yet for the chapters. I believe it's still being serialized in *Seisaku magazine* or whatever BL magazine is releasing it.

Thanks to *Aidmarche* for the cover!

As of this chapter, I will ONLY release future Aiba chapters on the LJ community and Manga Fox. In addition, I don't want other sites that host past releases to continue to host them as if you could let me know which ones are currently hosting my releases, I would really appreciate it. That way I can talk to the admins and ask them to take my translations down. If you want to help me by asking on my behalf, I would appreciate that as well. I'm sorry if this is going to pose an issue for readers who use those sites but the more sites that host my releases, the greater the chance that I'll receive a cease-and-desist letter.

This is a work depicting male-on-male romance so if you find this offensive, **DO NOT READ FURTHER! YOU HAVE BEEN WARNED!**

DO NOT PAY for this or any other translation because works like these are provided for **FREE** by editing groups and individual translators.

I've
been so
lost on
what
to
do...

Newsdays,
I don't even
know when
or how I
should try
to talk to him

Once I
entered
high school,
I fell in
love the
first time
I saw him

Even though
I confessed
to him
directly, I
struck out.

Despite that,

before I realized it,
that guy...

Why did you
call me out to
a place like
this, Satou?

Why, you ask?
Heh heh heh...
What a nice way
to greet someone.
But you
already
know,
don't you?

Don't screw with me!!
I don't want to hear
that from someone
unjust like you who's
two-timing Yoshida with
a ton of girls...

Oy, oy,
Nishida.

!!

Can I get
you to stop
making
passes at
Yoshida once
and for all?

I can't hear
anything except
the howling of
a sore loser!!

Is that
what you
call just?

trying to
get in
between
us in such
an under
handed way
because of
your own
wild
delusions...

Yoshida
and I
are
going
out!!

Is it
right!?

Am I

evil...?

But I can't
Even though
I know in my
head that I
should, my
heart

won't
stop
chasing
after
him.

I should
give up

on Yoshida

*Note: he's actually saying "Nihida" but since his lips are so swollen, it sounds wrong.

SQUASH!!

That...
that's
definitely

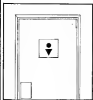

What
what?
Something
isn't
right

Satou's
the
evil
one!!!

I'VE FINALLY
REALIZED:
YOU AND I ARE
FUNDAMENTALLY
INCOMPATIBLE.

SINCE THAT'S
THE CASE,
THERE'S ONLY
ONE WAY TO
FINISH THIS!

I WON'T BE
CONFUSED
BY YOUR
DEVILO
ANYMORE!

ONE!

SO YOU'VE
FINALLY
DECIDED TO
SETTLE THIS
WITH
VIOLENCE?

*Note: "Jyokakuden" literally translates to "Is It's weird?" in English though it's a place name in Japanese. In this context, it's probably a fictional location in the series created to map up like "homoculture" of their idol L'ELLO. The name is a place called Jyokakuden Water Park in Nagoya, Japan. Just a coincidence, most likely.

YOSH HON! SO YOU
ENDED UP
COMING
AFTER
ALL

IT'S NOT
SAFE SO
PLEASE
FALL
BACK!

HOLY COW
THERE REALLY
HAVE BEEN A
LOT OF THINGS
GOING ON
WITHOUT MY
KNOWLEDGE!!

**I'm going to
defeat Satan!!**
ONCE I'VE
ACCOMPLISHED
THAT I'LL
DEFINITELY
RESCUE YOU
FROM THAT
DEVIL'S
GRASP!!

SO ARE YOU
DONE CHATTERING
OR DO YOU NEED
MORE TIME?

!!

IT'S BEST
IF YOU
REALIZED
THAT
YOSHIOA
BELONGS
TO ME!

And what
better
place
to do
that
than in
hell!

BUT I'LL
MAKE YOU
DESSERT
THAT SOON
ENOUGH

I APPRECIATE
YOUR
GRACEFUL
IN
CHALLENGING
ME...

SATOU!

So I can
fight you
head on...

Get
down
here!!

...I won't
lose to
you!!
I can't
lose to
you!!

...HMM

Quit
screwing
around
and
get
down
here!!

Satou!!

WHAT?

WELL,
SHOOT.
I GOT
FOUND
OUT.
HEH...

I was
being
half-
serious
though.

THE VILLAIN SO
APPEALINGLY
WHAT'S WORKING
WITH YOU?
THAT'S SO
BREADABLE
HEH?

DELICATE-
LY
CLIMBING
UP THERE
AND
PLAYING
THE
CLASP OF

STOP
MESSING
WITH
NISHIDA?

...So there you have it, Nishida-san's journey of love continues... (Aaah)

Hi, everyone: here's what I'm calling chapter 3 of volume 3, otherwise known as chapter 17 of the series as a whole, not counting the various oneshots. I won't talk on this one so I'm not going to bother with a media page.

Thanks to Aishwathia for the news!

I have decided that I will only be releasing chapters on the LJ comic of which I'm a member. I'm calling this one the "official" LJ. This means I won't be uploading to things like Archive for anyone, because that's the top result when I do a search on Google for the series, too much exposure.

A few awesome members of the comic and I have contacted various sites and asked the mods to remove any links. Several sites have been great by complying, but there are still many that won't remove links,/downloads uploaded by people who continue to ignore my request. So once and for all: STOP UPLOADING MY TRANSLATIONS ON WEBS OTHER THAN THE LJ. YOU'RE JUST BEING JEKS WHO ARE PRACTICALLY ASKING THE PUBLISHERS TO SEND A CEASE-AND-DESIST LETTER TO ME. THAT MEANS YOU JEKS AND THE NICER, LOYAL READERS WON'T GET AN ENGLISH TRANSLATION UNTIL THE OFFICIAL VERSION IS OUT AND WHO KNOWS WHEN THAT WILL HAPPEN?

To all the awesome people who continue to support me and listen to my requests, I appreciate you guys like crazy, you don't know how much so thank you tons, already!

This is a work depicting anti-official romance so if you find this offensive, DO NOT READ FURTHER! YOU HAVE BEEN WARNED!

DO NOT PAY FOR THIS OR OTHER WORKS TRANSLATED BY SLUGGISH INDIVIDUALS AND GROUPS, BECAUSE THEY ARE FREE!

Questions, comments, reviews, and suggestions may be directed to tanemori@lilyshin.com.

As always, enjoy!

Tanem

PS: The little ad thing on the upper left corner of the cover page says the 4th volume is being released in December. Also, on one of the last few pages, there's a little note saying that the person is wanted for the movie version of the manga. The section is called "Letter please" so I'm assuming a reader sent that to the author's/publishing company. I don't know if some production house is making a movie out of Aoba or another work by Tanaka-sensei, but if it's Aoba, CONGRATS, I WOULD ENJOY OF HAPPY-POSSUM!

**SHORT, SLANT-EYED...
AND UBB...**

Note: There are ellipses throughout the conversation on purpose because the author wants to keep the reader in suspense about what the favor actually entails.

Well, I'm going to go now!!
So bye!

Oh my god, I think you can persuade him with the power of love.

I GET THAT YOU BELONG TO HIM.

Don't talk about stuff like that in the hallways...

I won't!!

I KNOW IT'S NOT A GOOD IDEA BEING ALONE WITH YOU!

Wah

OH, NOT PLEASE!
